## Product Safety Database – Product Safety Report

Report 18 – Published 07 May 2021

| Peloton Tread       |  |
|---------------------|--|
| Aspect              | Details  |
| Images              |    |
| Alert Number        | 2104-0185  |
| Product Type        | Machinery - Treadmill  |
| Product Identifiers | Model: TR02  |
| Product Description | Peloton Tread treadmill with display screen.<br>This issue does not relate to the US recall of Tread+ treadmills.  |
| Counterfeit         | No   |
| Risk Type           | Injuries   |
| Risk Description    | Due to the incorrect tightening of screws, the touchscreen on the treadmill can detach and fall, posing a risk of injury to consumers. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.  |
| Corrective Measures | Peloton have issued a safety notice, including details for free repair or return and refund for users. Users should stop using their Tread treadmill and ensure no one else uses it until the product is repaired or returned.<br>Safety Notice: <a href="https://www.onepeloton.co.uk/press/articles/peloton-tread-uk-recall">https://www.onepeloton.co.uk/press/articles/peloton-tread-uk-recall</a> |
