Product Type	Toys – Plush Teddy Bear
Product Identifiers	ASIN: B08N6JRN8N
Product Description	Pink plush LED bear, with a pink ribbon around the neck. Supplied in clear plastic bag affixed with white label sticker.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Choking, Asphyxiation and Chemical
Risk Description	The product presents a high risk of choking as the battery compartment is not securely fixed to restrict the access to button batteries. The battery box had a removable lid with a hole intended for a screw which would secure the lid, but no screw was present. Once removed, the battery fitted wholly inside the small parts cylinder and therefore poses a potential choking hazard to a young child. The batteries also present a chemical risk as, if swallowed, can result in serious internal chemical burns and damage to the gastrointestinal tract. The product also poses an asphyxiation hazard as the plastic bag used for packaging has an area greater than 100mm x 100mm, and the bag thickness measured as $0.023 \pm 0.002\text{mm}$ which is less than the minimum 0.038mm specified. The product does not meet the requirements of the Toys (Safety) Regulations 2011.
Corrective Measures	The product has been destroyed at the border
