Product Description	Foldable storage box / child's seat (Ottoman) 60 x 30 x 35cm with MDF sides covered by printed polypropylene plastic material and padded, foam-filled lid.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Asphyxiation & Fire
Risk Description	The product poses a high risk of asphyxiation as there are no ventilation holes. Any toy having a door, lid or similar device which encloses a continuous volume greater than 0.03m ³ and which all internal dimensions are 150mm or more, should provide at least 2 unobstructed ventilation holes, each 650mm ² or more, situated at least 150mm apart. As the product does not have any ventilation holes, a child can be completely enclosed causing an asphyxiation hazard. The plastic sheeting the product is packaged in can also pose a suffocation risk as when measured it was

	found to have an average thickness 0.027mm, which is below the 0.038mm required. The product also poses a risk of fire as the lid and foam padding are highly flammable materials which will readily catch fire after brief contact with a source of ignition. The product does not meet the requirements of the Toys (Safety) Regulations 2011
Corrective Measures	Destruction of the product at the border
