Product Identifiers	Model: DFC-10P
Product Description	10 Amp 6V/12V DFC–10P Car Battery charger
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Electric shock and fire
Risk Description	<p>The product poses a risk of electric shock and/or fire because of poor build quality and design. The protective earth did not have continuity to the main chassis as the paint/powder coating had not been removed, even though a star washer was present, preventing a reliable protective earth connection. When tested, no intelligent features were found in the circuit. Additionally, the product was not compliant with the marking requirements of the relevant standard. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.</p>
