Product Type	Toys – Magnetic Ballpoint Pen
Product Identifiers	Asin: B01F36DST0
Product Description	A set of four ballpoint pens designed with the appearance of bread-sticks, croissants and pizza slices. The pens additionally contain a magnetic allowing them to adhere to metal surfaces such as a fridge door.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Choking, Injuries & Asphyxiation
Risk Description	<p>This product poses a serious risk of choking because when tested according to the tension test, the magnet of the croissant detached at the 8th cycle and fits entirely within the small parts cylinder. The product also poses a risk of internal injuries as the magnetic flux index is 137.00 kGg²mm², which is greater than the limit of kG²mm². If two or more magnets were swallowed, there is a risk that the magnets become drawn to each other in the digestive system, which could cause serious injury or death if medical attention is not sought immediately. The bag that contains the pens is made of flexible plastic, having an area of 150mm x 200mm but its average thickness is 0.035mm, (which is less than the minimum permissible of 0.038mm), posing a potential asphyxiation hazard to young children. The product does not comply fully with the marking requirements of the relevant standard and does not meet the requirements of the Toys (Safety) Regulations 2011.</p>
