Alert Number	2103-0037
Product Type	Toys – painting mat
Product Identifiers	Amazon ID (ASIN) B074NX9MLV
Product Description	A colourful water painting mat with water pens
Country of Origin	Unknown
Counterfeit	No
Risk Level	Serious risk
Risk Type	Choking hazard
Risk Description	The toy presents a serious risk of choking for children under 3 years as the removal pen tips are considered as small parts. If a child plays with the toy unsupervised, they may unscrew the pen tip and insert it into their mouths, which presents a risk of choking. The toy therefore does not meet the requirements of the Toys (Safety) Regulations 2011.
Corrective Measures	The seller has marked the product with appropriate warnings on the risks. The seller has warned consumers of the risks presented by the product.
Online Marketplace	Amazon
Notifier	Office for Product Safety and Standards
