Product Description	Colourful animal rubber building blocks with a drawstring bag for storage.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Asphyxiation
Risk Description	The product presents a risk of asphyxiation due to the drawstring storage bag which has an opening perimeter of approximately 490mm, greater than the maximum permitted of 380mm. The material used was not sufficiently permeable to allow for ventilation. A child can be playing with the bag and place over their heads without their parents noticing, which can lead to suffocation. The product does not comply with the requirements of the Toys (Safety) Regulations 2011.
