<b>Aspect</b>	<b>Details</b>
<b>Images</b>	
<b>Alert Number</b>	2103-0089
<b>Product Type</b>	Food-imitating products – Fridge magnets
<b>Product Identifiers</b>	N/A
<b>Product Description</b>	Mixed fridge food imitating magnets: Cherry, Cake, Cinnamon Roll, Ice Cream, Lollies, Biscuits, Chocolate. Packaged in small plastic seal bags.
<b>Country of Origin</b>	United Kingdom
<b>Counterfeit</b>	No
<b>Risk Level</b>	Medium
<b>Risk Type</b>	Choking
<b>Risk Description</b>	The product presents a medium risk of choking as it's reasonably foreseeable that a child could confuse the magnets with the food items it was designed to imitate. As the product is capable of fitting into a small parts cylinder, a choking hazard exists for a child under 3yrs of age. If two or more magnets are swallowed, there is a risk that the magnets become drawn to each other in the digestive system, which could cause serious injury or death if medical attention is not sought immediately. When tested, all five of the magnets were found to have a magnetic flux index above 50 kG2mm2 and an average across the sample of 87.4 kG2mm2. The product does not meet the requirements of Food Imitations (Safety) Regulations 1989.
<b>Corrective Measures</b>	The product has been voluntarily withdrawn from the market
<b>Online Marketplace</b>	N/A
<b>Notifier</b>	Office for Product Safety and Standards
