Product Identifiers	N/A
Product Description	168 pcs magnet toy set with 11mm cylindrical magnets and metallic spheres
Country of Origin	China
Counterfeit	No
Risk Level	Medium
Risk Type	Choking
Risk Description	<p>The product presents a medium risk of choking as both the individual balls and sticks were found to be small enough to fit completely into a small parts cylinder and as such, would be regarded as capable of causing a choking hazard for a child under 3 years of age. If two or more magnets are swallowed, there is a risk that the magnets become drawn to each other in the digestive system, which could cause serious injury or death if rapid medical attention not sought.</p> <p>When tested, eight of the magnetic cylinders sampled were found to have a magnetic flux index greater than 50kG2mm2 with an average index of 169.7 kG2mm2.</p> <p>The product was CE marked but does not meet the requirements of the Toys (Safety) Regulations 2011.</p>
