Product Description	3D 3mm colorful magnetic balls in a silver tin.
Country of Origin	China
Counterfeit	No
Risk Level	Medium
Risk Type	Choking
Risk Description	<p>The product presents a medium risk of choking as the small magnetic balls were found to be small enough to fit completely into a small parts cylinder and as such, would be regarded as capable of causing a choking hazard for a child under 3 years of age. If two or more magnets are swallowed, there is a risk that the magnets become drawn to each other in the digestive system, which could cause severe injury or death if rapid medical attention not sought.</p> <p>68 magnetic spheres were tested and 9 found to have a magnetic flux index greater than 50 kG2mm2, the highest value found being 70 kG2mm2.</p> <p>The product was CE marked but does not meet the requirements of the Toys (Safety) Regulations 2011.</p>
Corrective Measures	The product has been voluntarily withdrawn from the market and recalled from end users.
