

Magnificent Magnets - Gummy Bear Fridge Magnets	
Aspect	Details
Images	
Alert Numbers	2103-0087
Product Type	Stationery - Novelty Fridge magnet
Product Identifiers	N/A
Product Description	Colourful gummy bear fridge magnets
Country of Origin	N/A
Counterfeit	No
Risk Level	High
Risk Type	Choking
Risk Description	The product presents a high risk of choking as it's reasonably foreseeable that a child could confuse the magnets with gummy bear sweets it was designed to imitate. As the product is capable of fitting into a small parts cylinder, a choking hazard exists for a child under 3yrs of age. If two or more magnets were swallowed, there is a risk that the magnets become drawn to each other in the digestive system, which could cause serious injury or death if medical attention is not sought immediately. All eight of the magnets sampled were tested and found to have a magnetic flux index above 50 kG2mm2 and an average across the sample of 170.5 kG2mm2.
Corrective Measures	The product has been withdrawn from the market and recalled from end users.
Online Marketplace	Etsy
Notifier	Office for Product Safety and Standards
