

Magnet Store Ltd Neodymium Magnetic Balls 5mm	
Aspect	Details
Images	
Alert Number	2103-0125
Product Type	Gadgets - Neodymium Magnetic Balls
Product Identifiers	N/A
Product Description	Magnetic silver balls 5mm, made from the rare earth metal Neodymium
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Choking
Risk Description	<p>The product presents a high risk of choking as the small magnetic balls were found to be small enough to fit completely into a small parts cylinder and as such, would be regarded as capable of causing a choking hazard for a child under 3 years of age. If two or more magnets are swallowed, there is a risk that the magnets become drawn to each other in the digestive system, which could cause severe injury or death if rapid medical attention is not sought.</p> <p>Three of the magnetic balls sampled were tested and found to have a magnetic flux index of 200.9, 199.6 and 251.8 kG2mm2, which is in excess of the maximum permitted 50kG2mm2.</p>
Corrective Measures	The product has been voluntarily withdrawn from the market.
