Alert Number	2109-0215
Product Type	Toys – LED Gloves
Product Identifiers	ASIN: B07X3XVVDW
Product Description	A pair of gloves which feature colourful LED lights that flash and described as having a skeleton appearance.
Country of Origin	China
Counterfeit	No
Risk level	High
Risk Type	Internal injuries & choking
Risk Description	This product poses a high risk of internal injury because the button cell batteries are easily accessible. The button cell batteries may be placed in the mouth and swallowed, causing a choking hazard for young children and causing damage to the gastrointestinal tract. The product does not comply fully with the marking requirements of the relevant standard and does not meet the requirements of the Toys (Safety) Regulations 2011.
Corrective Measures	The product has been recalled from end users
Online Marketplace	Amazon - The listing has been removed by the online marketplace.
Notifier	Office for Product Safety and Standards
