

EMPLOYMENT TRIBUNALS (SCOTLAND)

Case No: 4101038/2020

Employment Judge O'Donnell

Miss J Holmes

Claimant

Regency Ayrshire Limited

Respondent

JUDGMENT

The claim and response are struck out under rule 37 of the Rules contained in Schedule 1 of the Employment Tribunals (Constitution and Rules of Procedure) Regulations 2013 on the grounds that the claim and response have not been actively pursued in terms of rule 37(1)(d).

REASONS

1. The Tribunal has received no recent communication from the parties in this case. The Tribunal wrote to the claimant and respondent on 3 February 2021, 22 February 2021 to which no reply has been received.

- 2 On 14 April 2021 the Tribunal gave the claimant and the respondent an opportunity to give written reasons by 21 April 2021 or to request a hearing in order to consider why the claim and response should not be struck out.
- 3 The claimant and respondent have failed to give any reason why such a judgment should not be made or to request a hearing. The Tribunal therefore strikes out the claim and response.
