DSA Slim - Disabled Students'
Allowance Application Form

2021/22

How to get Disabled Students' Allowance (DSA) in 3 easy steps

Here is a summary of the steps involved in applying for and receiving DSA.

1

Apply for DSA

Complete all sections in this form, and return it with all the evidence we need. The sooner we receive your completed form with all evidence - the quicker we'll be able to tell you if you could get DSA.

Make sure you sign and date the declaration at the end of this form.

2

Find out exactly what equipment and support you need

If you are eligible for DSA you may need to attend a Study Needs Assessment to make sure you get the right specialist equipment and/or services to help you complete your course. If you need to attend a Study Needs Assessment we'll send you a letter to tell you how to do this.

If you do need to attend a Study Needs Assessment the Assessment Centre will send us a report. This will recommend equipment and other support you may need, how much it will cost and who can provide it. You will also receive a copy of this report. We will review their recommendations and make our final decision.

This process can take some time – make sure you book your Study Needs Assessment as soon as you get our letter so that you can get all the necessary equipment and support before your course starts.

3

Get your equipment and support

We'll send you a DSA entitlement letter to tell you what equipment and other support you will receive DSA for. The letter will also provide instructions on how to arrange delivery of your equipment and/or arrange other support. Don't buy or arrange equipment or support before you receive your DSA entitlement letter because we won't be able to reimburse you for these costs.
