Section 10

Financial details for tax year 2019-20 for parents and partners

Who needs to complete this section?

Section 9 of this form tells you who needs to complete this section.

What details do I need to provide in this section?

You need to tell us some personal details and what your financial income was for tax year 2019-20. You **must** tell us your 2019-20 income details as we cannot accept amounts from any other tax year. We need your income amounts so we can work out what the student(s) you are supporting is/are entitled to.

About this section

Section 10 is split into five parts:

Part A - Tell us your name and address and some other personal information

Parts B - Tell us your National Insurance number

Parts C and D - Answer every question

Part E - Answer every question and tell us about any income deductions for tax year 2019-20 where appropriate

How to complete this section

If you are a single parent of the student

Enter your information as Person 1, leave Person 2 blank.

If there are two parents in the student's household

Complete this section with information for both Person 1 and Person 2.

If you are an independent student with a partner

Your partner needs to enter their information as Person 1, leave Person 2 blank.

If you're self assessed – read page 15 of the notes for more information. 

If you're not self assessed – you can use your P60 to complete this section.

What happens if my household income has dropped since tax year 2019-20?

If your household income has dropped by 15% or more since tax year 2019-20 you can apply for a Current Year Income (CYI) assessment.

This means we would use your expected income for tax year 2021-22 instead of your actual income from tax year 2019-20 when calculating the student's entitlement. However, there must be at least a 15% drop in the **overall household income** (not just your own income) between these two tax years for us to do this and we will ask for evidence of your 2021-22 income at the end of that tax year.

Before completing this form, you should read the Privacy Notice on page 22 of the accompanying notes.

The student may be eligible for a bursary or scholarship. In order for a university or college to determine and pay any bursary or scholarship to which the student(s) you are supporting may be entitled, we will share some of your personal and financial details with them.

For more information about this, read our Privacy Notice.
