

Virosmart VS-300 ULV Fogging Machine

Aspect	Details
Images	
Alert Number	2111-0379a
Product Type	Electrical appliances and equipment – Fogging machine
Product Identifiers	Virosmart VS-300 ULV Fogging Machine SKU: V9044
Product Description	Mains-powered blue fogging machine with black spout and carry handle and 3l white water container on rear of product. Product includes an 8m electrical lead.
Country of Origin	Turkey
Counterfeit	No
Risk Level	Medium
Risk Type	Electric shock
Risk Description	The product has been identified as presenting a medium risk of electric shock as a number of products sold between 1 May and 7 September 2020 have noncompliant plugs which can expose live wiring at the base of the plug. If a user touches the plug when in use, they may receive an electric shock. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	Select products manufactured before September 2020 are being recalled to have plugs replaced. To access instructions for assessing whether your product is affected by the safety risk identified, please access the 'Important Safety Information' notice on Virosmart's website: https://virosmart.co.uk/product/vs-300-fogging-machine/
