Alert Number	2111-0120
Product Type	Machine – Cabbage Shredder
Product Identifiers	Kruszec Cabbage Shredder SZ-40
Product Description	Stainless steel hopper mounted on a stand containing powered rotating cutter blades and disc, used for dicing cabbages and other vegetables.
Country of Origin	Poland
Counterfeit	No
Risk Level	Serious
Risk Type	Cutting, shearing and entanglement hazards
Risk Description	This product has been assessed as presenting a serious risk to the safety of operators as easy access can be gained to the cutters and other rotating parts during operation. This could lead to amputation injuries and entanglement. Although the product is CE marked and accompanied by a Declaration of Conformity, it does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.

Corrective measures	Users should ensure this machine is not used without appropriate guards or safety devices in place to prevent access to moving parts.
