

## ElliptiGO Arc 3, ElliptiGO Arc 8, ElliptiGO Arc 24

Aspect	Details
<b>Images</b>	
<b>Alert Number</b>	2110-0084
<b>Product Type</b>	Hobby / sports equipment - Bicycle
<b>Product Identifiers</b>	<p>ElliptiGO Arc bicycles are composed of an aluminum frame, front fork, steering column mated to handlebars, foot platforms situated on drive arms mated to swing arms, a front wheel and a rear wheel, front and rear brakes and a variety of other components that are standard in the bicycle industry. The Arc 3 model has three gears. The Arc 8 model has 8 gears. The Arc 24 model has 24 gears.</p>
<b>Product Description</b>	<p>All Arc models have the word “ElliptiGO” on both sides of the main frame tube.</p> <p>All Arc models have the word “Arc” on both sides of the rear portion of the frame. Arc models are the only ElliptiGO models with this decal.</p> <p>The Arc 3, Arc 8 and Arc 24 can be distinguished from each other by looking at the gear shifter indicator(s) on the handlebars. If there are two gear indicators, one on each side of the handlebar, then that is an Arc 24. If there is only one gear indicator and the highest number displayed is “8”, then that is an Arc 8. If there is only one gear indicator and the highest number displayed is a “3”, then that is an Arc 3.</p>
<b>Country of Origin</b>	Taiwan
<b>Counterfeit</b>	No
<b>Risk Type</b>	Injuries
<b>Risk Description</b>	<p>The nature of the risk is that the Arc frame can fail if subjected to enough force and fatigue cycles. The frame is the main structure for the bicycle. If it fails, the rider could fall and be injured.</p>
<b>Corrective Measures</b>	<p>The product has been recalled from the end user. For more information please see: <a href="https://www.elliptigo.com/arcs/">https://www.elliptigo.com/arcs/</a></p>
