Alert Number	2202-0048																								
Product Type	Childcare articles and children's equipment – Car seat																								
Product Identifiers	Batch numbers: From 37/2019 to 24/2020 (inclusive). Car seats from later batches are not affected.																								
Product Description	Children's rotating car seats available in various colours and designs.																								
Country of Origin	Unknown																								
Counterfeit	No																								
Risk Type	Injuries																								
Risk Description	The car seats present an injury hazard as the manufacture of some of the buckles did not reach the exacting standards set by the quality and safety protocol and contain components that can potentially become defective.																								
Corrective Measures	Cosatto have recalled the product from end users. For further information, please see: https://www.cosatto.com/pages/buckle																								
Online Marketplace	N/A																								
Notifier	Local Authority Trading Standards
