

EXPORT OF CANINE SEMEN TO SWEDEN

NOTES FOR GUIDANCE (NFG) FOR OFFICIAL VETERINARIANS AND EXPORTERS

This document should not be read as a standalone document but in conjunction with 9022EHC.

1. SCOPE OF THE CERTIFICATE

This certificate may be used for the export of canine semen to Sweden where the certification takes place in Wales, Scotland or England, i.e. Great Britain only.

This certificate may be used for one animal donor per consignment.

2. CERTIFICATION

The basic principles of certification apply and although this is not an EU level harmonised EU entry certificate, the general requirements that the EU specifies for its harmonised certificates should be followed.

EXPORTING COUNTRY: Although the certificate has been prepopulated with UNITED KINGDOM, this certificate should and can only be issued for animals that are certified in England, Scotland and Wales (i.e. Great Britain).

Part I Identification: A microchip number is required and other forms of ID are not accepted.

Part II Health attestation

4. Official disease freedom is not required to be obtained from the APHA. The certifying OV should check establishment records and make enquiries to satisfy themselves of the freedom of brucellosis (canis) for this holding.

Laboratory reports: non-official documents may not be signed and stamped in official capacity, however, if such documents are added as a schedule to the certificate, they can be stamped and signed as pages of the certificate.

Disclaimer: This certificate is provided on the basis of information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do

not match, the exporter should contact the APHA Centre for International Trade, in Carlisle, via the link below.
