Claimant

Y Poluyanova

Respondent

Confidence Capital Limited

Heard at: Watford by CVP
Before: Employment Judge Anderson

On: 1 February 2022

Appearances

For the Claimant: In Person
For the Respondent: Mr A Rudenko

JUDGMENT

1. The claimant's claim for unpaid wages is upheld.
2. The respondent is ordered to pay the sum of £3082.51 to the claimant, within 28 days of this judgment.

REASONS

1. The claimant brings a claim for unpaid wages in the sum of £3082.51. Her employment with the respondent ended on 16 October 2020. She received a final payslip in the sum of £3645.81 but was paid only £563.30. The respondent agrees that the sum is due but says he cannot pay as the company has no income due to the pandemic.
2. The respondent confirmed that the company still exists today though he is making plans to put it into an insolvency process.
3. As the respondent admits that the wages are due in the sum specified by the claimant, I uphold the claimant's claim for unpaid wages.
4. The claimant requested that the wages be paid into the bank account previously used by the respondent when making wages payments to her.
