

EXPORT OF NON HUMAN PRIMATES TO ITALY

NOTES FOR GUIDANCE (NFG) FOR OFFICIAL VETERINARIANS AND EXPORTERS

This document should not be read as a standalone document but in conjunction with 9047EHC.

Scope of the certificate

This certificate may be used for the export of non human primates where the certification takes place in Wales, Scotland or England, i.e. Great Britain only.

A note on English text and translation:

Please note that this certificate is taken from an English translation provided by Italian Authorities and the English text is therefore constrained by their model certificate.

EXPORTING COUNTRY: Although the certificate has been prepopulated with UNITED KINGDOM, this certificate should and can only be issued for animals that are certified in England, Scotland and Wales (i.e. Great Britain).

Place of loading

In the case of traveling by plane, write "name of the airport". In case of traveling by sea, write "name of the port". In case of traveling by land, write "name of the establishment where the animals are loaded onto means of transport".

Health Attestation:

1.1 The diseases listed at the time when this document was written, included Ebola virus disease and Tuberculosis complex.

2.1 May be certified based on conformation that all deaths at the approved premises of unknown causation are investigated via post- mortem examination.

Disclaimer: This certificate is provided on the basis of information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do

not match, the exporter should contact the APHA Customer Service Centre, in Carlisle, via the link below.
