(2) The Secretary of State for Business Energy and Industrial Strategy

FINAL HEARING

Heard at: London South Employment Tribunal (by video conferencing)

On: 19 October 2021

Before: Employment Judge Truscott QC (sitting alone)

For the claimant: In person

For the respondent: No appearance or representation

JUDGMENT

The Judgment of the Tribunal is that the claimant is entitled to a net award as follows:

Unpaid wages **£3586.82**

REASONS

1 The claimant submitted a claim to the Tribunal that he had not been paid for January and February 2021.

2 The respondent returned an ET3 giving precise figures for January of £2847.53 and February of £739.29 although it disputes the obligation to pay these amounts. The claimant confirmed that these were the amounts he sought. These are the sums awarded.

3 The first respondent went into voluntary liquidation on 4 August 2021. In these circumstances, the Tribunal added the Secretary of State for Business Energy and Industrial Strategy as a respondent under Rule 96. The second respondent may seek a reconsideration of the judgment, if so advised.
