

EXPORT OF REPTILES AND TURTLES TO AUSTRIA

NOTES FOR GUIDANCE (NFG) FOR OFFICIAL VETERINARIANS AND EXPORTERS

This document should not be read as a standalone document but in conjunction with 9046EHC.

Scope of the certificate

This certificate may be issued for the export of Reptiles and Turtles where the certification takes place in Wales, Scotland or England, i.e. Great Britain only.

In addition to 9046EHC a valid import permit must be obtained from the Austrian authorities in advance of the import.

A note on the English text and translation:

Please note that this certificate is taken from an English translation provided by Austrian Authorities and the English text is therefore constrained by their model certificate.

Country of origin

Although the certificate has been prepopulated with UNITED KINGDOM, this certificate should and can only be issued for animals that are certified in England, Scotland and Wales (i.e. Great Britain).

Certification

The basic principles of certification apply and although this is not a harmonised EU level EU entry certificate, the general requirements that the EU specifies for its harmonised certificates should be followed.

Freedom from animal health restrictions

The OV should check if there are any restrictions of diseases relevant to species to be exported.

Disclaimer: This certificate is provided based on information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the APHA Centre for International Trade, in Carlisle, see the link below.
