

EMPLOYMENT TRIBUNALS

Claimant

Mr JM Duxbury

v

Respondent

University of Huddersfield

Employment Judge JM Wade in chambers on 1 March 2022

JUDGMENT

The respondent's application dated 4 February 2022 to re-consider the Judgment sent to the parties on 21 January 2022 is refused.

REASONS

1. The matter turns on a point of law which arises very infrequently. The matter was fully aired before the Tribunal and the Tribunal reached a unanimous decision setting out its reasons. There are no reasonable prospects of the Tribunal varying its Judgment.
