

Case Number: 1404978/18

# THE EMPLOYMENT TRIBUNAL

---

**Claimant**                      **Mr J Dignam**  
**Respondent**                    **The Cracking Egg Company Limited**

## JUDGMENT

The claimant's application dated 24 February 2022 for reconsideration of the Remedy judgment sent to the parties on 11 February is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked. The application is an attempt to re-argue matters which have already been considered by the tribunal and rejected; and to make new arguments, not made at the time. The tribunal reached its decision after taking into account the evidence of the claimant, relevant documentation and the submissions made by the parties. The arguments set out in the reconsideration application do not disclose any arguable basis to reconsider the judgment.
