

Application to remove goods from transit shed

The goods detailed in this removal note may be removed from their place of discharge under this authority. Goods removed under this authority may remain subject to HMRC control. This note authorises the collection of these goods subject to any further Customs examination that may be required. It does not mean that these goods are ready for collection.

Delivery of these goods will be made in line with the terms and conditions of the Transit Shed Operator or other persons entitled to authorise delivery.

Agent or importer

Please complete the details below and present to HMRC along with associated commercial and regulatory documentation. This is to get stamped authorisation from HMRC to remove the goods detailed in this note from their place of discharge.
