Notes to the accounts

(see note 34)

All notes to the accounts must be entered on or attached to this part of the return.

1 Accounting policies

Company information

British Printing Industries Federation Limited is a private company limited by guarantee domiciled and incorporated in England and Wales. The registered office is Unit 2 Villiers Court, Meriden Business Park, Copse Drive, Warwickshire, CV5 9RN. The liability of members is limited to £1.

1.1 Accounting convention

These financial statements have been prepared in accordance with Section 1A of FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest pound.

The financial statements have been prepared on the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going Concern

As disclosed in the Directors' Report, the principal activity of the company is that of a trade association and the activities of the services provided to the members are undertaken through the British Printing Industries Federation (BPIF). The group statement of financial position of the BPIF as at 31 March 2019 showed net liabilities of £2,947,000 (2018: £2,672,000) which principally arose as a result of a pension liability of £3,162,000 (2018: £2,785,000). In the event that the BPIF was unable to continue in business it is likely that the activities of the company would also be affected given the nature of the company's activities.

The directors of the BPIF have a reasonable expectation that the Federation will be able to continue in operation for the foreseeable future and meet its debts as they fall due. As a result the directors of the company have a reasonable expectation that the company will be able to continue in business for a period of at least twelve months from the date of approval of the financial statements and consequently have prepared the financial statements on the going concern basis.

1.3 Revenue Recognition

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for services provided in the normal course of business, net of VAT. Income comprises subscriptions which run for a period of one year. Subscription income is spread evenly over the course of the period covered by the subscription with amounts received in the current financial year that relate to the following financial year treated as deferred income at the balance sheet date.

1.4 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.5 Financial instruments

Basic financial instruments are measured at amortised cost. The company has no other financial instruments or basic financial instruments measured at fair value.

1.6 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the profit and loss account. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

2 Turnover

All turnover arose wholly within the United Kingdom.

	2019 £	2018 £
Membership subscriptions	2,248,229	2,245,336

3 Employees

The average monthly number of persons employed by the company during the year was nil (2018: nil)

4 Debtors

	2019 £	2018 £
Amounts falling due within one year:		
Trade debtors	165,417	82,992
Intercompany debtors	33,704	381,253
Other debtors	45	688
Prepayments and accrued income	-	1,000
	<u>199,166</u>	<u>465,933</u>

5 Creditors: amounts falling due within one year	2019	2018
	£	£
	-	20
Other creditors	8,109	12,283
Intercompany creditors	4,075	36,176
Social security and other taxes	22,671	6,806
Accruals and deferred income	420,740	439,504
	<hr/>	<hr/>
	455,595	494,789
	<hr/>	<hr/>

6 Members Liability

The company is limited by guarantee, not having a share capital and consequently the liability of members is limited, subject to an undertaking by each member to contribute to the net assets or liabilities of the company on winding up such amounts as may be required not exceeding £1.

7 Related party transactions

At 31 March 2019 the company was owed £33,704 (2018: £365,671) by a related undertaking, the British Printing Industries Federation, an employers' association based in England and Wales.

The intercompany purchases from the British Printing Industries Federation during the year were as follows:

	<u>2019</u>		<u>2018</u>	
	Purchases During the Period £	Due from (to) At 31/3/19 £	Purchases During the Period £	Due from (to) At 31/3/18 £
British Printing Industries Federation	2,248,229	33,704	2,245,336	365,671
BPIF Training Limited	-	(4,075)	-	15,582
BPIF Legal Limited	-	-	-	(36,176)

Purchases from the British Printing Industries Federation comprise management charges relating to the services provided to the members of the company and the intercompany balance arises from the transfer of deferred income for membership subscriptions from British Printing Industries Federation upon commencement of trading on 1 April 2008.

Other Intercompany balances arise from customers of the other entities paying their invoices raised by related entities into the company bank account by mistake that have not been transferred to the relevant entity at the balance sheet date.

During the year to 31 March 2019, the company charged subscription fees to companies in which certain directors of the company had controlling interests. All subscriptions were charged at normal scale rates and no discounts were offered.

Checklist for auditor's report

(see notes 40 to 44)

The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they relate?
(See section 36(1) and (2) of the 1992 Act and notes 43 and 44)

Please explain in your report overleaf or attached.

Yes – see audit report

2. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:

- a. kept proper accounting records with respect to its transactions and its assets and liabilities; and
- b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances.

(See section 36(4) of the 1992 Act set out in note 43)

Please explain in your report overleaf or attached.

Yes – see audit report

3. Your auditors or auditor must include in their report the following wording:

In our opinion the financial statements:

- **give a true and fair view of the matters to which they relate to.**
- **have been prepared in accordance with the requirements of the section 28 to 36 of the Trade Union and Labour Relations (consolidation) Act 1992.**

Auditor's report (continued)

Opinion

We have audited the financial statements of British Printing Industries Federation Limited for the year ended 31 March 2019 which comprise the Profit and Loss Account, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2019 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006 and in accordance with the requirements of sections 28 to 36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty relating to going concern

We refer to the disclosures set out in note 1.2 to the financial statements in respect of the preparation of the financial statements on a going concern basis. The principal activity of the company is to provide services to the members which are undertaken through the British Printing Industries Federation (BPIF) which had consolidated net liabilities of £2,947,000 (2018: £2,672,000) as at 31 March 2019 which related principally to a defined benefit pension liability of £3,162,000 (2018: £2,785,000).

Given the nature of the company's activities, if the BPIF was unable to continue in business it is likely the activities of the company would also be affected. However the directors have a reasonable expectation that both the BPIF, and therefore the company, will be able to continue in business for a period of at least twelve months from the date of approval of the financial statements. The financial statements do not include any adjustments that may result if the company was unable to continue as a going concern. Our opinion is not modified in respect of this matter

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditor's responsibilities for the audit of the financial statements (continued)

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken for no purpose other than to draw to the attention of the company's members those matters which we are required to include in an auditor's report addressed to them. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the company and company's members as a body, for our work, for this report, or for the opinions we have formed.
