

South Eastern General Provisions for the Train Service Requirement (SA-TSR-SE-1).

1. Introduction

- 1.1 This attachment describes the South Eastern Train Service Requirement (SA-TSR-SE-1) and any changes will be put into the TSR Updates – Change Log as included in Paragraph 8 below.
- 1.2 The TSR consists of tables which detail the requirements for train services (the number of calls at each station) as well as the First Train and Last Train times.
- 1.3 The capacity requirements for each train shall be contained in the Train Formation Capacity Plan.
- 1.4 Only South Eastern Passenger Services may be counted to meet the TSR. Services operated by other Train Operating Companies or unadvertised staff-only calls cannot count towards meeting any of the requirements of the TSR.
- 1.5 This TSR applies from the Start Date.
- 1.6 Circular trains:
 - a) Some train schedules that depart London Cannon Street via London Bridge also terminate at London Cannon Street. These services count against stations in the TSR if and only if the journey time between that station and London Bridge in the direction set out in the TSR is less than the equivalent journey time in the other direction (as determined by the average journey times between that location and London Bridge).

2. Days and Times of Day

- 2.1 References to a day mean the period commencing at 02:00 on one day and ending at 01:59 on the following day and references to Weekdays and particular days of the week shall be construed accordingly.
- 2.2 All references to time are to the twenty-four hour clock.
- 2.3 References to periods of times and periods of days include the times and days such periods start and finish.
- 2.4 Not Used.

3. First and Last Services

- 3.1 Each TSR table specifies the time of the First and Last Service.
- 3.2 The First Service time is the latest permissible time at which the First Service of the Day may be operated and the Last Service is the earliest permissible time at which the Last Service of the Day may be operated, between designated stations.

4. Request stops

- 4.1 The Operator agrees it may not change the call status of a station, to or from being designated a request stop station in the Timetable, without the Secretary of State's prior consent.

4.2 If there is to be such a change of (request stop) call status of a station (either for all calls or for a subset of calls), the Operator shall include the change of status within the Consultation on Significant Alterations to the Timetable, for the first Timetable the change is to be applied.

5. References to Station Groups

5.1 Not Used.

6. Bank Holidays

6.1 Using the procedures in paragraph 4 of Chapter 4.2 of the Contract, the level of service required to be included in the Timetable for the following days shall, except to the extent the Secretary of State otherwise agrees, be as follows:

| Date | Requirement |
|--|--|
| Christmas Eve (24 December) | A reduced or altered service may be operated after 13:00 |
