Re: S31 Grant Determination Letter for the Opportunity Areas Year 5 Twinning Grant, March 2022 (2021-22 DLUHC 31/5967)

This Determination is made between:

- (1) The Secretary of State for Education and**
- (2) The local authority listed at Annex A.**

I am pleased to confirm details of the Government's offer to the council following agreement that the Opportunity Areas (OAs) Twinning grant would be devolved.

We are devolving this grant under a Section 31, non-ringfenced transfer (Local Government Act 2003). The Senior Responsible Owner for this grant, Elizabeth Franey, will require your responsible officer to confirm at the end of the financial year that the funding has been properly expended.

The relevant Department for Education (DfE) official has discussed and agreed the specific amount with the council. A total of £200,000 was paid on 11 March 2022 to the local authority listed in Annex A.

Purpose of the Grant

The council can spend this grant to promote activity that will improve educational outcomes and social mobility for children and young people. Whilst you may choose how to spend the money in order to best meet local need, we anticipate that all decisions will be informed by the delivery plan for this work that has been agreed with DfE.

Where agreed with DfE, the local authority may also use the grant to pay salary costs for any necessary local programme staff who are employed through the local authority, and to fund any "new burdens" and reasonable expenses associated with administering this grant.

Arrangements for keeping in touch with the Department for Education

Formal reporting to the Department for Education on progress is not a condition of this grant. The Department for Education will, however, ask the council to provide a voluntary end of year return and report confirming activity that has taken place or been funded.

This letter has been copied to the Directors of Children's Services in the relevant local authorities, Her Majesty's Treasury and the Department for Levelling Up, Housing and Communities.
