I am writing to you under the Freedom of Information Act to request the following information from your force area, please.

I am running a campaign to reveal the pickpocketing hotspots across the UK over the last five calendar years. I am wanting to determine the areas where people have been victim to pickpocketing (stealing of money or other valuables from the victim without them noticing at the time). An outline of what I require is as follows:

- The number of pickpocketing-related crimes from all areas/locations within your authority over the last five calendar years (2015 - 2021, if you hold 2021 crimes), per year for each policing district/council area.

This is a request for information under the Freedom of Information Act.

For the years 2018, 2019, 2020 and available information for 2021, I would like to be provided with the following information:

- 1) Please indicate the number of police officers that were disciplined for their conduct on WhatsApp and/or other social media sites.

- (a) For each disciplined police officer, please describe briefly what happened.
- (b) If the police officer was writing offensive messages/posts, please disclose copies of these messages/posts.
- (c) If the police officer was sharing offensive posts, please disclose copies of these posts.

2) Please indicate the number of police officers that were dismissed for their conduct on WhatsApp and/or other social media sites.

- (a) For each dismissed police officer, please describe briefly what happened.
- (b) If the police officer was writing offensive messages/posts, please disclose copies of these messages/posts.
- (c) If the police officer was sharing offensive posts, please disclose copies of these posts.

I am writing to request information under the Freedom of Information Act 2000. In order to assist you with this request, I am outlining my query as specifically as possible.

I am writing to request information regarding the case of Radox Testing Services and Trimega Laboratories, and the consequences of the discovery that tests performed by these companies may have been flawed.

I understand that Radox provided each force with a list of cases that could have been affected.

I would please like to know:

1. How many cases were on this list?
2. After the cases were reviewed by the force, how many were deemed to have been affected by issues around the forensic data?
3. If possible, please provide details of the crimes charged for the cases deemed to have been affected, e.g. how many: a. Murder, b. Manslaughter, c. rape, etc.

I'm sending this request under the Freedom of Information Act 2000.

Please may you provide me with the aggregated number of 'drink spiking' incidents recorded by your force between 2015 and September 2021, broken down by year, as well as the number of convictions for drink spiking in the same period.

Please search for this data using the following Home Office crime codes:

- 005/10 (Administering poison so as to endanger life)
- 008/02 10 (Administering poison with intent to injure or annoy)
- 005/24 (Use of noxious substances of things to cause harm and intimidate)
- 088/05 (10 (Administering a substance with intent)
- 005/05 10 (Administering drug with intent to commit indictable offence)
- 24/1/2 (sex-administer drug to facilitate intercourse)

Please also do a keyword search of MO codes, using the terms, 'spiking', 'drink-spike', 'drink spiked', 'spiked drink', while checking to make sure that they don't refer to some other context (e.g. 'a spiked fence' or 'spiked hair').

I wish to make a request for data regarding the Violence and Sexual Offences category from the Police.uk crime data category mappings.

At present the data downloadable from Police.uk crime data only contains the aggregated category (eg. Violence and Sexual Offences), whereas I would like this data broken down by sub-class (eg. Homicide, Violence with Injury etc) and if possible by offence (eg. Attempted Murder, Threats to Kill, etc) (see enclosed mapping sheet and data download from Police.uk for reference).

I would like the crime month, reported by, falls within, longitude, latitude, location, Isoa code, Isoa name, crime type category, crime type sub-category, and crime type offence fields - effectively the same format as on Police.uk data but including the crime category, sub-category, and offence - for all crime data from each constabulary going back to January 2019.

I am writing to request the following information under the 2000 Freedom of Information Act.

1a) The total number of complainants who have complained about the force's handling of their allegation of sexual assault or rape in the years 2018, 2019, 2020 and from the beginning of 2021 to the present day. Please can I have this information broken down by calendar year?

1b) For each complainant's case, please could you provide a description of the complaint in detail. I understand that this will not include any identifying details, but please provide details such as gender and age. Please also set out where the alleged incident occurred more generally e.g. in a park, shopping centre, etc. In instances where this would make the victim identifiable, I understand that this is not information you will be able to provide,

For each individual, please answer the following questions:

- Is this the only complaint the complainant has made?

- What was the original allegation of sexual assault/rape, when did this alleged crime take place and where did it take place (as explained above)

1c) In terms of the police's dealing with the complainant, please could you tell me:

- What did the force do when they were initially approached by the complainant i.e. phone conversation or meeting in person; how long did these dealings last i.e. how many times did you meet/call and how long did meetings/calls last
- Were any of the following steps taken, for example: CCTV collected, alleged victim's clothing taken, any witnesses spoken to
- How long did you spend on the investigation overall

1d) For each complaint, please provide in detail the outcome against the force/officers including;

- i) whether each complaint was upheld or not upheld, and the description under which this fits. For example, this could include (but is not limited to) a finding that there was no case to answer; no further action, or a finding that the service provided was acceptable.
- ii) whether the complaint involved a misconduct hearing against officer(s) and whether this was held in public or private
- iii) what was the final disciplinary result, which could include (but not limited to) officer(s) receiving a written statement; other disciplinary action, or dismissal.

I write to you under the Freedom of Information Act 2000. If possible, please acknowledge this request has been received. Thank you in advance for your time.

For each of the calendar years 2015 to 2020, and for 2021 to date, please tell me:

- 1. The number of offences of procuring illegal abortion recorded by the force.
- 2. The number of reports resulting in a) the suspect being arrested and b) the suspect being charged.

In addition, for each of the cases recorded by police, please provide an anonymised copy of the crime report. This could detail allegations relating to abortions involving drugs ordered online, suspicious stillbirths or suspected abortions conducted after the legal limit, for instance.
