

FOI Release
Information released under the Freedom of Information Act

Title: Certification marks

Date of release: 30 January 2020

Information request:

The number of certification marks currently registered in the UK, as well as a list of all their trade mark numbers, so as to be able to view all certification marks currently active on the UK register.

Information released:

See attached spreadsheet listing all the UK certification marks – currently in force, refused or withdrawn, applications currently being processed, etc. We thought you might be interested in marks of all statuses as well as those currently in force.
