

EMPLOYMENT TRIBUNALS
London Central Region

Claimant: Ms J Advani

Respondents: (1) Government Legal Department - Employment Group
(2) Sellick Partnership Ltd
(3) Alexander Mann Solutions Limited sued as Public Sector Resourcing

JUDGMENT

The Claimant's request for full written reasons for the judgment dated 18/2/22 is refused.

REASONS

1. On 1/4/22 an email dated 29/3/22 from Ms S Cawtherley, which she has written as the Claimant's friend, was forwarded to me. The email refers to two previous emails sent by her to the Tribunal, (the first on 23/2/22 and the second on some unspecified date) and it attached two documents. The first attached document is an undated letter (which I will assume for present purposes was attached to an email sent to the Tribunal on 23/2/22) which requests written reasons for the judgment dated 18/2/22. The second attached document is one which Ms Cawtherley has specifically stated should not be shared with the Respondents so I am limited in the extent that I can refer to it, - although I have considered it.
2. I refuse to provide (further) full written reasons for the judgment dated 18/2/22 because I have already provided in the judgment itself such written reasons for it as I am willing to provide.
3. No request for reconsideration of the judgment dated 18/2/22 has been made, but for the avoidance of doubt if such a request had been made, I would have refused it because nothing in Ms Cawtherley's correspondence provides any reasonable excuse for the Claimant and or her friend having failed for an extended period to communicate with the Tribunal, attend hearings and comply with the Order I made on 20/1/22.
