

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr W Robb

**Respondent:** PMP Recruitment Limited

## JUDGMENT

The part of the claim relating to unfair dismissal is struck out.

## REASONS

1. In the claim form and response form, the parties agree that the claimant's length of continuous service falls short of the two years required for a claim of unfair dismissal.
2. The claim is therefore struck out.
3. However, there will still be a hearing to determine the part of the claim relating to alleged unauthorised deductions from wages.
