

Anticipated acquisition by Cellnex UK Limited of the passive infrastructure assets of CK Hutchison Networks Europe Investments S.À R.L.

Final Undertakings given to the Competition and Markets Authority by Cellnex UK Limited, Cellnex Telecom S.A. and CK Hutchison Networks Europe Investments S.À R.L. pursuant to sections 41 and 82 of the Enterprise Act 2002

On 27 July 2021, the CMA, in exercise of its duty under section 33(1) of the Enterprise Act 2002 (the Act), referred the anticipated acquisition by Cellnex UK Limited, a subsidiary of Cellnex Telecom S.A. of the passive infrastructure assets in the UK of CK Hutchison Networks Europe Investments S.À R.L., a subsidiary of CK Hutchison Holdings Limited (together, the Parties), for further investigation and report by a group of CMA panel members.

On 4 March 2022, the CMA published its report entitled ‘Anticipated acquisition by Cellnex UK Limited of the passive infrastructure assets of CK Hutchison Networks Europe Investments S.À R.L.’ (the Report).

The Report concluded, *inter alia*, that the anticipated acquisition (the Merger) by Cellnex UK Limited, part of the Cellnex group (Cellnex) of the passive infrastructure assets in the UK of CK Hutchison Networks Europe Investments S.À R.L. (CK Hutchison) may be expected to result in a substantial lessening of competition (SLC) as a result of horizontal unilateral effects arising from overlaps between the Parties in the supply of access to developed macro sites and ancillary services to mobile network operators (MNOs) and other wireless communication providers in the UK.

As set out in the Report, the CMA has decided that a divestiture by Cellnex of its existing macro sites and ancillary services that geographically overlap with the CK Hutchison sites to be acquired as a result of the Merger would be an effective and proportionate remedy to address the SLC and the resulting adverse effects that the CMA has found.

Now therefore Cellnex and CK Hutchison give to the CMA the following undertakings under section 82 of the Act, in accordance with section 41 of the Act, for the purpose of remedying, mitigating or preventing the SLC and any adverse effects which may be expected to result from it, as identified in the Report.

12. Procedure for consent and approval

- 12.1. Cellnex and CK Hutchison each undertake that where they require the consent or approval of the CMA (however that requirement is expressed in the Final Undertakings) they will seek such consent or approval in writing. Any consent or approval given by the CMA under the Final Undertakings shall be given in writing.
- 12.2. Cellnex and CK Hutchison each undertake that any application by it for the CMA's consent or approval shall make full disclosure of every fact and matter within its knowledge that it reasonably considers is relevant to the CMA's decision (Relevant Information).
- 12.3. Cellnex and CK Hutchison each recognise that where the CMA grants consent or approval on the basis of information that is false or misleading in a material respect, the consent or approval is voidable at the discretion of the CMA, acting reasonably.

17. Provision of information to the CMA

17.1. Cellnex and CK Hutchison each undertake that it shall promptly provide to the CMA such information as the CMA may reasonably require for the purpose of performing any of its functions under the Final Undertakings or under sections 82, 83, 92 and 94(6) of the Act.

Annex 1: The Overlap Sites

Annex 1 is a table of the [1,000-1,200] Overlap Sites. It includes the site ID, international code, site type, latitude, longitude and ownership type of each of the Overlap Sites.

Annex 2: Unidentified Streetworks Overlap Sites

Annex 2 details the methodology used to identify the Overlap Sites and Unidentified Streetworks Overlap Sites.

Annex 3: Purchaser Approval Criteria

In order for a prospective purchaser to be approved by the CMA, the CMA must be satisfied that the prospective purchaser:

- (a) Is independent of the Parties. The purchaser should have no significant connection to either CK Hutchison or Cellnex that may compromise the purchaser's incentives to compete with Cellnex (for example, an equity interest, common significant shareholders, shared directors, reciprocal trading relationships or continuing financial assistance).
- (b) Has the necessary capability to compete. The purchaser must have access to appropriate financial resources, expertise (including managerial, operational and technical capability (including understanding of the regulatory regime)) and assets to enable the assets comprising the Divestiture Package to be used to effectively compete in the market as part of a viable and active business. This should be sufficient to enable the purchaser of the Divestiture Package to continue to develop as an effective competitor. For example, a highly-leveraged acquisition of the Divestiture Package which left little scope for competitive levels of capital expenditure is unlikely to satisfy this criterion. The proposed purchaser will be expected to obtain in advance of Effective Divestiture all necessary approvals, licences and consents from any regulatory or other authority required to permit completion to occur. The CMA would expect companies with an existing track record of owning or operating passive infrastructure assets, either in the UK or elsewhere to be able to readily demonstrate the technical capacity to compete effectively. If a purchaser is viewed by a customer as not having the necessary capabilities to compete, then this would increase the likelihood that it would be unable to obtain the necessary consents from customers.
- (c) Is committed to competing in the relevant market. The CMA will wish to be satisfied that the purchaser has an appropriate business plan and objectives for competing in the relevant market and that the purchaser has the incentive and intention to maintain and operate the Divestiture Package as part of a viable and active business in competition with Cellnex and other competitors in the market.
- (d) That divestiture to the purchaser will not create further competition or regulatory concerns. Divestiture to the purchaser should not create a realistic prospect of further competition or regulatory concerns.

Annex 4: Appointment of a Divestiture Trustee

1. Pursuant to paragraph 13 of the Final Undertakings, Cellnex undertakes to comply with the following obligations, as are deemed appropriate and necessary by the CMA.

Nomination of a Divestiture Trustee

2. Within the period of five Working Days following the day on which pursuant to paragraph 13.2 of the Final Undertakings the CMA issues a direction, or such other period as may be agreed by the CMA, Cellnex shall submit to the CMA for approval a list of two or more persons whom Cellnex proposes to appoint as Divestiture Trustee.
3. Each person on the list referred to in paragraph 2 above shall be independent of and unconnected to Cellnex and CK Hutchison, possess the qualifications necessary for the performance of the mandate and shall on appointment and thereafter be free of any conflict of interest including any conflict of interest that might arise by virtue of the terms of remuneration.
4. The CMA may approve or reject any or all of the proposed persons (such approval not to be unreasonably withheld or delayed) and may approve the proposed mandate subject to any modifications it deems necessary for the Divestiture Trustee to fulfil the Divestiture Trustee Obligation. If only one proposed person is approved, Cellnex undertakes to use its reasonable endeavours to appoint, or cause to be appointed, the individual or institution concerned as Divestiture Trustee in accordance with the mandate approved by the CMA. If more than one proposed person is approved, Cellnex shall decide which person to appoint as Divestiture Trustee from among the approved persons. Cellnex undertakes to appoint the Divestiture Trustee within two Working Days from the CMA's approval and on the terms of the mandate approved by the CMA.
5. If all the proposed Divestiture Trustees are rejected by the CMA (acting reasonably), Cellnex shall submit the names of at least two further persons within four Working Days of the date on which it is informed of the rejection, in accordance with the requirements and the procedure set out in paragraphs 2 to 4 above.

6. The provisions of paragraph 7 shall apply if:
 - 6.1 Cellnex fails to nominate further persons in accordance with paragraph 5; or
 - 6.2 those further persons nominated by Cellnex in accordance with paragraph 5 are rejected by the CMA (acting reasonably); or
 - 6.3 Cellnex is unable for any reason to conclude the appointment of the Divestiture Trustee within the time limit specified by the CMA.
7. The CMA shall nominate one or more persons to act as Divestiture Trustee, and Cellnex shall appoint or cause to be appointed one of those Divestiture Trustees within two Working Days starting with the date of nomination under the terms of a Divestiture Trustee mandate approved by the CMA.
8. Cellnex recognises that the function of the Divestiture Trustee is distinct from the function of the Monitoring Trustee, although the two functions may be performed by the same person subject to that person meeting the requirements of paragraph 3.
9. Cellnex undertakes to remunerate and reimburse the Divestiture Trustee for all reasonable costs properly incurred in accordance with the terms and conditions of its appointment and in accordance with the directions or instructions given in paragraph 13, in such a way so as not to impede the Divestiture Trustee's independence or ability to effectively and properly fulfil the Divestiture Trustee Obligation.

Divestiture Trustee – functions

10. Cellnex undertakes to enable the Divestiture Trustee to carry out the Divestiture Trustee Obligation.
11. The Divestiture Trustee shall undertake such preparatory matters as it considers necessary to discharge the Divestiture Trustee Obligation and for these purposes may give written directions to Cellnex and Cellnex undertakes to comply with any such written directions.
12. Cellnex recognises and acknowledges that:
 - 12.1 The CMA may, on its own initiative or at the request of the Divestiture Trustee or Cellnex, give written directions or instructions to the

Divestiture Trustee in order to assist it in the discharge of the Divestiture Trustee Obligation (including directions as to the divestiture of such property, assets, rights, consents, licences, privileges or interests as the CMA considers necessary to bring about Effective Divestiture).

- 12.2 The Divestiture Trustee may include in such agreements, deeds, instruments of transfer and other instruments and documents as are necessary for the performance of its duty, such terms and conditions as it reasonably considers appropriate.
- 12.3 The Divestiture Trustee shall protect the legitimate financial interests of Cellnex subject to the Divestiture Trustee's overriding obligation to give effect to the Divestiture Trustee Obligation which may include the Effective Divestiture of the Divestiture Package at no minimum price.
13. Cellnex recognises and acknowledges that the Divestiture Trustee shall take such steps and measures it considers necessary to discharge the Divestiture Trustee Obligation and to that end the Divestiture Trustee may give written directions to Cellnex and Cellnex undertakes to comply with such directions or to procure compliance with such directions as are within its powers and to take such steps within its competence as the Divestiture Trustee may specify.
14. Cellnex recognises and acknowledges that in the performance of the Divestiture Trustee Obligation the Divestiture Trustee shall act solely on the instructions of the CMA and shall not be bound by any instruction of Cellnex and Cellnex undertakes that it shall not seek to create or vary the obligations and duties of the Divestiture Trustee except with the CMA's prior written consent.

Divestiture Trustee – obligations of Cellnex

15. Cellnex undertakes to provide the Divestiture Trustee with all such cooperation, assistance and information (including by the production of financial or other information whether or not such information is in existence at the time of the request but excluding any material properly the subject of legal privilege) as the Divestiture Trustee may reasonably require in the discharge of the Divestiture Trustee Obligation.
16. Cellnex recognises and acknowledges that the Divestiture Trustee shall be entitled, subject to the duty of confidentiality, to full and complete access to the books, records, documents, management or other personnel, facilities, sites

and technical information reasonably necessary for the fulfilment of its duty (save where material is properly the subject of legal privilege). Cellnex undertakes to provide the Divestiture Trustee upon request with copies of any such document. On the reasonable request of the Divestiture Trustee, Cellnex undertakes to make available to the Divestiture Trustee one or more offices on its premises and to ensure that personnel are available where necessary for meetings in order to provide the Divestiture Trustee with all information reasonably necessary for the performance of the Divestiture Trustee Obligation, subject in each case to the Divestiture Trustee's compliance with Cellnex's internal policies.

17. Cellnex undertakes to grant reasonable, comprehensive powers of attorney, on terms approved by the CMA, and duly executed, to the Divestiture Trustee to enable it to discharge the Divestiture Trustee Obligation including by the appointment of advisers to assist with the divestiture process. Before appointing any advisers, the Divestiture Trustee will consider using the advisers already appointed by Cellnex and will only appoint advisers (whether in replacement of, or in addition to Cellnex's advisers) if it reasonably considers the appointment of such advisers necessary or appropriate in the discharge of the Divestiture Trustee Obligation. Cellnex undertakes that, upon the reasonable request of the Divestiture Trustee, it shall execute the documents required to give effect to the Divestiture Trustee Obligation. Should Cellnex refuse to approve the advisers proposed by the Divestiture Trustee, the CMA may, after consulting with Cellnex, approve and direct the appointment of such advisers.
18. Cellnex undertakes to hold the Divestiture Trustee, its employees, agents or advisers harmless against any liabilities arising out of the proper performance of the Divestiture Trustee Obligation. Cellnex recognises and acknowledges that the Divestiture Trustee, its employees, agents or advisers shall have no liability to Cellnex for any liabilities arising out of the proper performance of the Divestiture Trustee Obligation, except to the extent that such liabilities result from the wilful default, recklessness, negligence or bad faith of the Divestiture Trustee, its employees, agents or advisers.
19. Cellnex undertakes to make no objection to the fulfilment by the Divestiture Trustee of the Divestiture Trustee Obligation or any part thereof save on the grounds of bad faith by the Divestiture Trustee or failure of the Divestiture Trustee to reasonably protect the legitimate financial interests of Cellnex subject always to the Divestiture Trustee Obligation; and where Cellnex wishes

to make an objection on these grounds it shall submit to the CMA a notice setting out its objections promptly and no later than two Working Days from the day on which it became aware of the fact or facts giving rise to its objection.

Divestiture Trustee – replacement, discharge, and reappointment

20. Cellnex acknowledges that if the Divestiture Trustee ceases to perform the Divestiture Trustee Obligation, or for any other good cause, including the exposure of the Divestiture Trustee to a conflict of interest, the CMA may, after consulting with Cellnex, require Cellnex to replace the Divestiture Trustee.
21. If the Divestiture Trustee is removed under paragraph 20 above, the Divestiture Trustee may be required to continue in its post until a new Divestiture Trustee is in place to whom the Divestiture Trustee has effected a full handover of all relevant information. The new Divestiture Trustee shall be appointed in accordance with the procedure in paragraphs 2 to 4.
22. Cellnex recognises and acknowledge that, other than in accordance with paragraph 20, the Divestiture Trustee shall cease to act as Divestiture Trustee only after the CMA has discharged it from its duties at a time at which all the functions with which the Divestiture Trustee has been entrusted have been met.
