Alert Number	2204-0293
Product Type	Personal Protective Equipment (PPE) – Horse Riding Vest
Product Identifiers	Models: Horze Titan Children, Horze Titan Adults, Horze Verus Children, Horze Verus Adults Article Numbers: 37057 and 37012 EAN numbers provided as a PDF attached to the OPSS recall page. Sales period: All riding vests of the above models sold since 1 January 2020.
Product Description	Black padded horse riding vest with a white 'Z' logo on right side of vest.
Country of Origin	Pakistan
Counterfeit	No
Risk Level	High
Risk Type	Injuries
Risk Description	The product has been identified as presenting a risk of injuries as the shock absorption thresholds were exceeded by 2-3 times upon technical inspection, meaning that users may not receive the required protection should they fall from, or be injured by, a horse. The product does not meet the requirements of the Personal Protective Equipment (Enforcement) Regulations 2018 or the relevant standard, EN 13158:2018.
Corrective Measures	Horze placed a temporary ban on the supply of the product and withdrew all product from the market in February 2022. Horze have since recalled the products from end users and have contacted distributors and consumers. We recommend owners stop using this product immediately. Contact the distributor you purchased from to request redress.
