

Draft agenda: North West London and South Central Advisory Board

This meeting took place on 17th May 2022.

Owing to an administrative error, the agenda for the Advisory Board meeting was not published in advance of the meeting. As such, we are today publishing the agenda and will allow a period of 10 working days for representations to be made. This means that representations for any items raised during this meeting will be accepted until 1st June 2022.

We will then review the relevant cases and ensure that final decisions are taken and communicated after 1st June 2022. This is to allow sufficient time for any representations to be made.

Please note, any representations received may be required to be released if a FOI is received.
