Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part and variation of an environmental permit.

This is a low risk surrender for a part of the site that has never been operational. The updated site plan is shown in schedule 7 of this notice. The registered office has been updated.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
