

Permitting decisions- Surrender

Permitting decisions: Part surrender

We have decided to accept the part surrender of the permit for Hull Energy Works operated by Energy Works (Hull) Limited.

The permit number is EPR/NP3837NV/S004.

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state. We consider in reaching this decision that we have taken into account all relevant considerations and legal requirements.

Purpose of this document

This decision document provides a record of the decision making process. It summarises the decision-making process to show how the main relevant factors have been taken into account.

We have assessed the aspects that are changing as part of this part surrender we have not revisited any other sections of this permit.

Unless the decision document specifies otherwise we have accepted the applicant's proposals for part surrender.

Read the permitting decisions in conjunction with the environmental permit.

Decision considerations

Confidential information

A claim for commercial or industrial confidentiality has not been made.

Identifying confidential information

We have not identified information provided as part of the application that we consider to be confidential.

The site

The extent of the facility has changed as a result of the partial surrender.

The operator has provided a plan which we consider to be satisfactory. The plan shows the current site after the surrender in schedule 7 of the surrender notice.

The plan show the location of the part of the installation to which this permit applies on that site.

The operator has provided a plan showing the extent of the site of the facility that is to be surrendered.

We consider this plan to be satisfactory.

Pollution risk

We are satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility.

Satisfactory state

We are satisfied that the necessary measures have been taken to return the site of the regulated facility to a satisfactory state, having regard to the state of the site before the facility was put into operation.

Growth duty

We have considered our duty to have regard to the desirability of promoting economic growth set out in section 108(1) of the Deregulation Act 2015 and the guidance issued under section 110 of that Act in deciding whether to accept this permit surrender.
