Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part and variation of an environmental permit.

This is the partial surrender of land where permitted activities have not taken place. No permitted activities, waste deposition or storage, have been undertaken in the area of land that is to be surrendered. The reduced permit boundary is shown on the plan included at Schedule 4.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
