The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
RA 4807 – Regulation 13 has been removed as it requires someone to be aged 21 to hold certifying / supervisory responsibilities. This discriminates against age and is therefore being removed. RA 4813 – Requirements from GM have been moved to AMC. It is a requirement to record specific information on maintenance records.
