JUDGMENT

The unanimous judgment of the Tribunal is that:

1) Further to the Judgment of Employment Judge Buckley at the Preliminary Hearing on 14 & 30 September 2021 (sent to the parties on 4 October 2021), the claimant's unfair dismissal, unlawful deduction from wages, holiday pay and all his breach of contract claims are dismissed on withdrawal by him; and

2) The claimant's sex discrimination claims were presented out of time and it is not just and equitable to extend time to determine them; they are dismissed for want of jurisdiction.
