

Offshore Petroleum Regulator  
for Environment & Decommissioning

## **Communications for OPRED Pollution Emergency Response**

We are making some changes to the management of communications for Tier 3 pollution response exercises and ongoing oil spill response communications.

### **OPRED Tier 3 Exercises**

Any communications for a Tier 3 Exercise should be sent to [BST@beis.gov.uk](mailto:BST@beis.gov.uk). The [OCUplanning@beis.gov.uk](mailto:OCUplanning@beis.gov.uk) is no longer in use.

### **Ongoing Incident Support**

During an ongoing pollution response incident, any documents, or communications for OPRED should now be sent to [opredemergencyresponseinbox@beis.gov.uk](mailto:opredemergencyresponseinbox@beis.gov.uk).

The previous OCU email address, [OCU@beis.gov.uk](mailto:OCU@beis.gov.uk) is no longer in use. Any correspondence intended for the Secretary of State's Representative should be sent to the following email address: [HQ\\_SOSREP@mcga.gov.uk](mailto:HQ_SOSREP@mcga.gov.uk)

Thank you
