

EMPLOYMENT TRIBUNALS  
London Central Region

Claimant: Mr A Kollikho

Respondent: The Net A Porter Group Ltd

JUDGMENT

The Claimant's application by email dated 11/5/22 to "*have his name removed under my right to privacy and GDPR regulations*" is refused.

REASONS

1. On 14/4/22 the claims were struck out and therefore the proceedings are no longer extant so an anonymity order cannot be made under Rule 50 (which permits such an order to be made "*at any stage of the proceedings*" (only)).
2. In any event no reasons are shown as to why such an order would be appropriate under Rule 50.
3. Further the Claimant has not copied the Respondent in on his application as required by Rule 30.
4. The matter is at an end and no further correspondence from the Claimant will be entertained.
