

EMPLOYMENT TRIBUNALS

Claimant: Miss C McKay

Respondent: Coloplast Ltd

JUDGMENT

The claimant's application dated **30 September 2021 first seen by Employment Judge Postle on 24 March 2022** for reconsideration of the judgment sent to the parties on **25 June 2021 and again on 22 September 2021** as the parties claimed not to have received the Judgment sent **25 June 2021** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because

- (a) *The Claimant's application is simply a further attempt to relitigate the issues of whether the claimant had a disability.*
- (b) Furthermore, the claimant's application is one which disagrees with the tribunals clear finding of fact based on the evidence before it.
- (c) There is no error in law based on the finding of fact.
