

EMPLOYMENT TRIBUNALS

Claimant: Mr S Aksoy
Respondent: Russell & Bromley Ltd

JUDGMENT

The claimant's application dated 11 May 2022 for reconsideration of the judgment sent to the parties on 2 February 2022 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:

1. The claimant's application was sent from the same email address which the Tribunal has used throughout.
2. The claimant was sent orders to that address on 4 October and 10 December which he did not reply to. The latter warned him that his claim could be struck out. He was then sent a strike out warning on 19 January so he had plenty of time to respond before the judgment was issued.
3. The respondent also made efforts to contact him by email to that address.
4. It was the responsibility of the claimant to pursue his litigation and by his own admission he made no contact with the tribunal between August 2021 and April 2022.
