The key stage 1 English reading test consists of 2 papers. The papers must be administered in order. Pupils do not have to sit both papers on the same day. If both papers are administered on the same day, pupils may benefit from a break between papers. Both papers can be administered to the whole class, smaller groups of pupils or on an individual basis. Test packs must not be opened until the pupils are in the test room ready to complete your school's first administration of the test. All test materials, including unused test papers, must be stored securely until Wednesday 1 June.

### Paper 2: reading booklet and reading question booklet

The following information explains how to administer the braille version of the key stage 1 English reading test: Paper 2. Modified test administration guidance is available at [www.gov.uk/sta](http://www.gov.uk/sta). If you have any questions, you should check with your headteacher or key stage 1 test co-ordinator before you administer the test.

Pupils should be given the opportunity to attempt Paper 2 but administrators can stop individual pupils at any stage of the test if the pupil is struggling.

Please follow these instructions correctly to ensure that the test is properly administered. Failure to administer the test correctly could result in a maladministration investigation.
