**Grounds of appeal**

Please explain on what basis you would like to appeal against the Management Notice that Natural England has served on you. It is also important that you present your full grounds of appeal now, along with any supporting and background information you would like to add. You may expand upon your arguments later in the appeal process, when you supply your statement of case, and expert views may be added. However, you should not seek to raise new issues after submitting your grounds of appeal.

## Appeal process

Your appeal can be dealt with in three different ways. Please consult the accompanying guidance which explains each option before indicating below which procedure you wish to follow (delete or select as appropriate):

- Written representation
- Hearing
- Inquiry

Please see the privacy notice which sets out how your personal data will be handled during the appeal procedure

## Additional documents

In addition, this completed form should be submitted alongside the following documents, where appropriate:

- The management notice served on you by Natural England under Section 28K of the Wildlife and Countryside Act 1981, including any maps or plans;
- Any relevant correspondence with Natural England; and
- If the appeal is submitted outside the statutory time limits and you have agreed an extension to the time limits with Natural England, a copy of that agreement.

Please complete the table to detail all the additional documents you intend to submit.
