Ivory Act - Exemption Criteria

Portrait miniatures made before 1918 with a surface area smaller than 320 square centimetres

Items that a **qualifying museum** intends to buy or hire

Musical instruments made before 1975 with less than 20% ivory by volume

Rare or important items, made before 1918 and of outstandingly high artistic, cultural, or historical value

Items with low ivory content made before 3 March 1947 with less than 10% ivory by volume

Detailed guidance on dealing in items made of or containing ivory and how you can register for an exemption can be found on: **gov.uk/ivory-act**
